Men's Division

"Ride as ride can" for 8 seconds. A standard working saddle must be used. No PRCA rigging allowed. No hobbling of one or both stirrups. Horse has to be saddled, as he would be for everyday use. If catch rope is carried on the saddle it must be attached as it would be for everyday use. Saddled for everyday use means- stirrups have no binding in order to hold stirrups forward, nor can they be hobbled under the horses girth. Flank cinch must be hobbled to front cinch with hobble strap no longer than 10 inches. Rope must be free except for the rope strap, no tying rope to anything but the rope strap. Stirrup leathers must be standard leathers. Saddle blankets or pads should not be used. Saddles should have full or 7/8 double rigging, no centerfire or 5/8 or 3/4 rigging allowed.

Saddles will be inspected before unsaddling in the stripping chute. Violations will result in immediate disqualification in the ranch bronc riding for that round.

A regular bucking horse halter with one rein must be used and shall be provided by the ranch team. Points will be awarded for the difficulty of the horse and also for the degree of aggressiveness, control, and exposure demonstrated by the rider. If the rider believes that he has been fouled he must yell "foul" in the first 3 seconds of the ride and then continue to make best ride possible throughout the 8 second ride. A re-ride may be awarded at judge's discretion.
