There are 2 divisions, Jrs, up to 12 years of age, and the Srs. 13-17 years of age. Enclosed please find the class rules and the entry form.

We have opened the show to families of Championship qualifiers first. However should the classes not fill by October 1st, we will open it to the public, at that time.

***We would appreciate your entering your children,

your doing so will allow time to arrange for the cattle for the classes. You will be notified by October 1st to let you know if you have made the show or not. Your entry check is due with your entry, however it will NOT be processed until the Championship.

We encourage you to enter asap, as only 15 entries will be allowed per age group. Please send your \$50.00 entry along with the completed entry form to;
