

YOUTH RANCH HORSE
Required maneuvers for dry work

This is a freestyle reining, there is no set pattern. You are welcome to do anything you'd like, to show off your horses ability. The following is a list of mandatory maneuvers you will be judged on.

ROLL BACKS

One each direction

CIRCLES & LEADS

1 small and slow, one large and fast, each direction

STOP

At least 1

BACK UP

SPINS

Not less than 2 in each direction

Following the dry work you will call for your cow. You will box your cow at the end of the arena you called for her on. After boxing, allow the cow to go down the fence, turning her once each way. You will then either rope the cow or circle her, but NOT both.
